REVISED

Proposed Rulemaking
Licensing of Radioactive Material
32 Ill. Adm. Code 330.40

To All Interested Parties:

Pursuant to Section 5-40(b) of the Illinois Administrative Procedure Act [5 ILCS 100/5-40(b)], the Illinois Emergency Management Agency (Agency) is holding a public hearing to allow interested persons to present views and comments on the proposed rulemaking published in the *Illinois Register*, Volume 33, Issue 35, Page 12061 on August 28, 2009.

The hearing will be held:

Wednesday, September 30, 2009
9:00 AM to 12:00 PM and 1:00 to 4:00 PM
Illinois Emergency Management Agency
2200 South Dirksen Parkway
Springfield, Illinois

Each interested person will be given 15 minutes to comment, ask questions, etc. Comment time will be adjusted to accommodate all interested persons. Persons may pre-register to comment by emailing Louise.Michels@illinois.gov. First priority to comment will be given to pre-registered persons. Written comments will also be accepted at the hearing.

In addition, written comments on this proposed rulemaking may also be submitted until October 13, 2009. The Agency will consider fully all written comments on this proposed rulemaking submitted during the 45 day public comment period. Comments should be submitted to:
